

Connecting Multi-Cultural Businesses through networking and marketing opportunities!

OVERVIEW

The *Beaufort County Black Chamber of Commerce* is a membership organization which provides business services, as well as, networking and marketing opportunities to it's members developing connections among Multi-Cultural businesses within our community. The **BCBCC** also endorses Cultural tourism to Beaufort County through promotion of products and services that will enhance the visitor experience, support our businesses and enhance our community.

GOALS

The *Beaufort County Black Chamber of Commerce* looks to enhance educational, cultural, and social experiences for young professionals. We believe the key component to accomplishing these goals is by providing networking and marketing opportunities for young business professionals. The **BCBCC** is an advocate within the community for the creation, growth, and expansion of disenfranchised businesses. It is our belief that the assistance we provide helps such businesses to succeed, therefore, stimulating the general welfare of the local community.

MISSION

The *Beaufort County Black Chamber of Commerce (BCBCC)* is dedicated to the economic empowerment of *African American* communities and small business.

The **BCBCC** is the facilitator between public and private entities looking to expand their participation with disadvantaged business enterprises.
